

move\_base\_z\_client  
::CostmapSwitch::enable

```
graph LR; A[move_base_z_client::CostmapSwitch::enable] --> B[move_base_z_client::CostmapSwitch::exists]
```

A diagram showing a transition from a grey box to a white box. The grey box contains the text 'move\_base\_z\_client::CostmapSwitch::enable' and the white box contains 'move\_base\_z\_client::CostmapSwitch::exists'. A blue arrow points from the grey box to the white box.
