

```
move_base_z_client  
::backward_global_planner  
::BackwardGlobalPlanner  
::makePlan
```

A diagram illustrating a function call. On the right, a white box contains the text 'move_base_z_client ::backward_global_planner ::BackwardGlobalPlanner ::makePlan'. A blue arrow points from this box to a gray box on the left, which contains the identical text. This represents a call to the 'makePlan' method of the 'BackwardGlobalPlanner' class, which is part of the 'backward_global_planner' namespace, from the 'move_base_z_client' namespace.

```
move_base_z_client  
::backward_global_planner  
::BackwardGlobalPlanner  
::makePlan
```
