

testing::GTEST\_DEFINE  
\_int32\_

testing::GetDefaultFilter

```
graph LR; A[testing::GetDefaultFilter] --> B[testing::GTEST_DEFINE_int32_];
```

A diagram showing a call from the function `testing::GetDefaultFilter` to the function `testing::GTEST_DEFINE_int32_`. The call is represented by a blue arrow pointing from the right box to the left box.
