The diagram consists of two main components. At the top is a rectangular box divided into three horizontal sections. The top section contains the text 'ABORT'. The middle and bottom sections are empty. Below this box is a blue arrow pointing upwards, originating from the top of a larger rectangular block. This larger block is divided into three horizontal sections. The top section is shaded gray and contains the text 'sm\_respira\_1::cmv\_cycle', '\_inner\_states::StiCMVCycleDwell', and '::PREVIOUS'. The middle and bottom sections are also shaded gray but are empty.
