

testing::internal::
TestCaseNameIs::operator()

```
graph LR; A["testing::internal::  
TestCaseNameIs::operator()"] --> B["testing::TestCase::name"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'testing::internal::' on the first line and 'TestCaseNameIs::operator()' on the second line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'testing::TestCase::name'.

testing::TestCase::name
