

smacc::StateReactor
::update

```
graph LR; A[smacc::StateReactor::update] --> B[smacc::StateReactor::triggers]
```

A diagram showing a call from the `smacc::StateReactor::update` method to the `smacc::StateReactor::triggers` method. The left box is shaded gray and the right box is white. A blue arrow points from the right side of the left box to the left side of the right box.
