

testing::AssertionSuccess

```
graph LR; A[testing::AssertionSuccess] --> B[testing::AssertionResult::AssertionResult]
```

The diagram illustrates an inheritance relationship. On the left, a gray rectangular box contains the text 'testing::AssertionSuccess'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'testing::AssertionResult' on the top line and '::AssertionResult' on the bottom line.
