

research_interface
::robot::getErrorName

```
graph LR; A[research_interface::robot::getErrorName] --> B[franka::Errors::string]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'research_interface' on the first line and '::robot::getErrorName' on the second line. The box on the right is white with a black border and contains the text 'franka::Errors::string'. A dark blue arrow points from the right side of the gray box to the left side of the white box, indicating that the function 'getErrorName' returns a value of type 'franka::Errors::string'.

franka::Errors::string
