

ABORT

The diagram consists of two main components. At the top is a rectangular box divided into three horizontal sections. The top section contains the text 'ABORT'. The middle and bottom sections are empty. Below this box is a blue arrow pointing upwards. The arrow originates from the top edge of a larger rectangular box at the bottom. This larger box is divided into three horizontal sections. The top section is shaded gray and contains the text 'sm\_respira\_1::pc\_cycle', '\_inner\_states::StiPCCycleExpire', and '::PREVIOUS'. The middle and bottom sections are also shaded gray but are empty.
