```

A diagram showing a transition from a stateful object to a stateless object. On the left, a gray rectangular box contains the code for a stateful object. A blue arrow points from this box to a white rectangular box on the right, which contains the code for a stateless object. The gray box has a black border and a light gray fill. The white box has a black border and a white fill. The arrow is a solid blue line with a triangular head pointing to the right.
