

```
sm_fetch_six_table  
_pick_n_sort_1::cl_move  
_group_interface::CpConstraint  
VirtualSideWall::createVirtualCollisionWalls
```

A diagram showing a transformation of code. A grey box on the left contains four lines of code. A blue arrow points from this box to a white box on the right. The white box contains the same four lines of code, but the last line has been changed from 'createVirtualCollisionWalls' to 'createCollisionBox'.

```
sm_fetch_six_table  
_pick_n_sort_1::cl_move  
_group_interface::CpConstraint  
VirtualSideWall::createCollisionBox
```
