

cl\_ros\_timer::CbTimer  
::configureEventSourceTypes

```
graph LR; A[cl_ros_timer::CbTimer::configureEventSourceTypes] --> B[cl_ros_timer::CbTimer::onClientTimerTickCallback]
```

A diagram showing a call from the function `configureEventSourceTypes` to the function `onClientTimerTickCallback`. The call is represented by a blue arrow pointing from the left box to the right box.

cl\_ros\_timer::CbTimer  
::onClientTimerTickCallback
