The diagram consists of two class boxes. The top box, representing `boost::statechart::event< EvEStop >`, is white with a thin grey border and is divided into three horizontal sections. The bottom box, representing `sm_packml::EvEStop`, is grey with a thin black border and is also divided into three horizontal sections. A blue arrow with an open triangular head points from the top section of the bottom box to the bottom section of the top box, indicating an inheritance relationship.
