

A diagram showing a call to the `move_base_z_client` function with the `CostmapSwitch::enable` parameter. The call is represented by a box with a black border and a light gray fill. The text inside the box is black and reads `move_base_z_client` on the first line and `::CostmapSwitch::enable` on the second line.

```
move_base_z_client  
::CostmapSwitch::enable
```

A diagram showing a call to the `move_base_z_client` function with the `CostmapSwitch::enable` parameter. The call is represented by a box with a black border and a white fill. The text inside the box is black and reads `move_base_z_client` on the first line and `::CostmapSwitch::enable` on the second line. A blue arrow points from the right side of this box to the left side of the box in the previous block.

```
move_base_z_client  
::CostmapSwitch::enable
```
