

ABORT

The diagram illustrates a call stack. At the top is a white rectangular box divided into three horizontal sections. The top section contains the text 'ABORT', while the middle and bottom sections are empty. Below this box is a blue arrow pointing upwards. The arrow originates from a gray rectangular box at the bottom. This gray box is also divided into three horizontal sections. The top section contains the text 'sm\_starcraft\_ai::move\_inner\_states::StiMove3::PREVIOUS', while the middle and bottom sections are empty. The blue arrow points from the top section of the gray box to the bottom section of the white box.
